

Attention Parents and Students:

Do you have questions regarding summer school, registration, and payment for high school students? Please read the following:

Program Dates: All programs are Monday through Thursday at Summit High School. No classes during the week of July 3rd-July 7th.

•Virtual School Credit Acceleration	Begins June 12 th	
•Online Credit Recovery	Session I June 19 th -June 29 th	Session II July 10 th -July 20 th
•Teacher Taught Credit Recovery	Session I June 19 th -June 29 th	Session II July 10 th -July 20 th
•Teacher Taught Credit Acceleration	Session I June 19 th -June 29 th	Session II July 10 th -July 20 th

Registration Dates: Students may register for Summer School via the online registration form until the dates below.

- Virtual School Credit Acceleration --- now through May 26th
- Online Credit Recovery --- now through June 8th
- Teacher Taught Credit Recovery --- now through June 8th
- Teacher Taught Credit Acceleration --- now through June 8th

Late Registration: Students and parents can come **in person** to Summit High School on June 13th & 14th at Summit HS from 8:00 am to 2:00 pm. No online registration will be available at this time.

Registration Process: This week you will begin receiving notification emails regarding students registering for summer school. Each email will include details and contact information for the student, as well as, the courses the student has selected. You will need to determine whether or not the courses are appropriate for the student. The next section of the email will include a link to the student's registration form which will allow you to confirm the course selections or make corrections. Click on the link, enter the password (included in registration email), and follow the prompts.

Course Offerings: The majority of our Credit Acceleration and Credit Recovery courses will be taken through Virtual School and Odysseyware. We are also offering a few new options for teacher taught Credit Acceleration. Please note, we are no longer offering teacher taught Accelerated Geometry. Additionally, we are piloting teacher taught Credit Recovery courses in Algebra I and Spanish I.

Payment: We expect parents to pay for their courses once they are approved by a counselor. They may do so through our online payment system or with a cash/check in person with their campus bookkeeper or at late registration on June 13th and June 14th.

Frequently Asked Questions: I have created a FAQ sheet and added it to the summer school webpage. The FAQ contains answers to many common questions such as when students go to class or take exams, how to obtain financial assistance, and how many courses a student can take.

I have included links to each of those items below.
