

Dear Parent/Guardian,

Winter Break is coming up in just a few short days and with that comes time for our students and staff to relax and celebrate the holidays with their families. We also have families who may be making a moving to a different city or school district as well. Please read the following information carefully if you plan on making a move out of Mansfield ISD during the Winter Break...

Any student(s) withdrawing from Mansfield Independent School District, must return the school-issued iPad and accessories back to their school campus. This is school district property and the student is only allowed to have possession of this property while they are in attendance with MISD.

Per the MISD Student-Parent iPad Agreement, it states *“Your failure to return the property in a timely manner will be considered unlawful appropriation of the Mansfield ISD property. This includes, but is not limited to, the failure to return the iPad immediately if you withdraw from the District or do not return to the district...Your continued use of the iPad for non-school purposes without our consent may also be considered unlawful appropriation of the District’s property”*.

Our campus will be closed from December 19th - December 30th, however you may drop the school-issued iPad and accessories off at the Mansfield ISD Police Department. Once your student’s campus has re-opened, it will be returned to the campus.
